

Primerica Shareholder Service investors who require additional information about the distributions paid by a fund for tax purposes may be able to locate that information on the website for the fund company.

For your convenience we have provided links to each fund company's Tax Center Below.

If you have further questions about how to report activity on your account(s), consult your tax advisor or contact the Internal Revenue Service at 800-829-3676, Primerica Shareholder Services does not offer tax advice.
